This is not my design,
this project was
designed by the client.
This is an image of the
comp I was given by
the client, who wanted
me to code it in HTML.

Mid-Term for 2D
Graphic Design class

Software:

Adobe Flash CS4

Completion date:

August, 2010

This not only showcases
my Flash skills, but also
my skills as a project
coordinator (not to
mention a voice actor).

This presentation is just
over 7 minutes long.
